Sanford Monthly Bulletin Update

August 22, 2023

Monthly Message from Sanford Admin

Dear Sanford Families,

We hope everyone had a wonderful summer break. We are excited for the 2023 school year and to welcome all the new families joining our community. We look forward to getting to know our families and partnering with all of you to make Sanford the best school it can be.

Our open house is on August 31st from 5:30 - 7:00 pm. Families will see the building, get student schedules, and meet the staff. We encourage families to use the new Infinite Campus system. It allows you to access student schedules, and view student attendance and grades. For the open house, it will save you time. Here is the list of supplies your student will need for the school year. [School Supply List](#). In addition to the open house, curriculum night is on September 28th from 5:30 - 7:00 pm. We will go over the IB Middle Years Program (MYP). It is critical that families understand our instructional framework. MYP informs our curriculum and pedagogy. Teachers will share what MYP looks like in their classrooms.

We are working hard to ensure we fill vacant positions for this school year. Here are our current vacancies: secretary, special education teacher, Spanish, AVID, associate educators (special education assistants and behavior support), after-school coordinator, and math interventionist. Please share this information with your network. The AVID program is integral to our programming, but we will not offer the course until we hire a teacher. Ms. Andrea, who previously was our security monitor, will move into the office. She brings a fund of knowledge and experience, and will ensure everyone gets the support they need. Quentin Marshall will be the new friendly face welcoming everyone at the main entrance.

For fall sports, we offer co-ed soccer. More information to come when school starts. Participation requires a sports physical. Jordan Turner is returning as coach. We look forward to welcoming everyone to Sanford. We hope to see everyone at the open house.

Best,

Ahmed Amin

Dr. Bjorn Lundgren
