

This schedule must be made available for review and copying in the school office

SY 2022/2023 Pesticide/Herbicide Application Schedule

In accordance with requirements under the MN Parent Right to Know Act, this schedule of pesticide and herbicide applications must be made available for review and copying in the main office of each school building. Any application of pesticides or herbicides not identified in this schedule, or other schedules provided, requires individual notification (excluding emergency applications). Reference the Minnesota Parent Right-to-know Act Notification for further information. If you have any questions or comments, please contact EH&S 612-668-0310.

Licensed Professional Pest Control Vendor: (All School Locations)

MPS is committed to the implementation of an integrated pest management (IPM) program that does **NOT** include the routine use of chemical pesticides. As such, no application schedule is maintained.

Under the IPM program, a licensed professional pest control vendor will inspect and monitor each MPS school location on a routine schedule. IPM works to prevent unacceptable levels of pests through inspections and monitoring, improved maintenance and sanitization and the utilization of non-chemical measures such as traps, glue boards and botanicals.

Spot Weed Control by Building Custodians: (All School Locations)

MPS does **NOT** use chemical weed control products for spot weed control. As such, no application schedule is maintained.

MPS is using **Vinegar** or other non-chemical methods for this purpose.

Athletic Field Pesticide/Herbicide Use by Licensed Professional Turf Vendor & MPS Facilities Grounds Department:

MPS is transitioning to a non-chemical **organic** field turf maintenance program. Franklin and Lincoln are our first locations where this program is currently being piloted. We anticipate adding additional sites as organic methods are evaluated for effectiveness.

Chemical Application Schedule limited to these locations:

(Edison, Henry, Roosevelt, South Practice, Southwest & Washburn Practice)

Application Service Period: 10/10/22 – 10/21/22
Application Service Period: 4/10/23 – 4/21/23
Application Service Period: 5/8/23 – 5/19/23
Application Service Period: 6/12/23 – 6/23/23
Application Service Period: 7/10/23 – 7/21/23
Application Service Period: 8/1/23 – 8/11/23
